BUERK'S WATCHMAN'S TIME DETECTOR

Important for all large Corporations and Manufacturing concerns capable of controlling with the utmost accuracy, the motion of a watchman or patrolman, as the same reaches different stations of his beat.

The instrument is complete in itself, portable, and as reliable as the best lever watch.

It is not so likely to become disarranged in its works as a good watch, because its parts are stronger. But when it needs cleaning, any common watchmaker can adjust it, its mechanism being simple.

It requires no fixtures or wires communicating from room to room, as it is the case with the ordinary Watch-Clocks, a small, inexpensive, stationary key is alone required at each station.

Its use is not restricted to a single building, and places can be guarded that it would be impossible to guard with any other instrument, such as Railroad Tunnels, Bridges, Shops, Etc.

The instrument will, in all cases, be warranted perfect and satisfactory.

This Detector is covered by two United States Patents. Parties using or selling these instruments without authority from me, will be dealt with according to law. Address

Desire to inform the public, that all their Improved Safes taken out of the Fire before Saturday, Nov. 16, 1872, afforded protection to their contents, as in no single instance did they fail to bring out the books and papers ("even in cases of the most severe exposure"), so that they could be read, and in most cases with very little injury to the binding of the books. We feel at liberty to refer to the following gentlemen who had books and papers preserved in our Safes:—

J. G. Drew & Co., corner Congress and Water Sts., E. C. Drew, corner Congress and Water Sts., B. L. Solomon & Sons, 82 Summer St., Ware Cork Sole Boot and Shoe Co., Purchase St., C. & M. Referring to the Safe of Jewett, Bush, & Co., it appears that, in removing it out of town, its heat set fire to the wagon on which it was being carried, and water had to be played upon it on the road. Yet with all this risk and excessive heat, the contents were found perfect on opening; and we are proud to say the books are now in daily use. **The Tilton McFarland Safe can proudly hold its own in any conflagration.**

E. D. SPEAR, M. D., THE OLD INDIAN DOCTOR,

SO MUCH CELEBRATED FOR HIS REMARKABLE CURES.

Office, 713 Washington Street, - - - BOSTON.

THE medical record of Dr. E. D. SPEAR, as a successful physician in the treatment of chronic diseases, is without parallel. Many are suffered to die who might be saved. Dr. Spear makes a direct appeal to the substantial, intelligent, and cultivated citizens of our country, and asks that his claims as a physician of extraordinary powers may be investigated. If you are beyond human aid, Dr. Spear will not deceive you. If you have ONE CHANCE, he will save you. Come to his office, and consult him, free. If you cannot visit him, consult him by letter.

STATEMENT OF WM. B. TRASK, ESQ.

DORCHESTER, Nov. 22, 1865.

DR. E. D. SPEAR. Dear Sir, — I have long been desirous of expressing in writing my grateful appreciation of your kind and beneficial service to me when an invalid. I went to you an entire stranger, on the 28th of August, 1856. — more than nine years ago, — about as weak in body as one could be, and walk. I had become thus reduced by a long and close application to a business unsuited to my condition. My blood being in a bad state, an irregularity of circulation was produced, and a derangement of the vital organs, which would probably have soon terminated fatally, had there not been an immediate application of the proper remedies. Your excellent medicines and timely advice soon produced a change, slowly but surely renovating the whole system.

By continued perseverance in following out your judicious directions, I owe, under Providence, my restoration to what my friends and myself consider a good degree and permanency of health. I would therefore cordially recommend to those who are afflicted a fair trial of what I consider your superior medical treatment. With sincere regards, I am yours truly,

WM. B. TRASK.

Words will not suffice in this case to describe the remarkable effects of the Doctor's treatment.

Mr. DOE previous to
treatment.

From a photograph of
Mr. Doe taken April 9, 1869.

For the benefit of the sick. I wish to make a statement of my case. I had been gradually failing in my health for some time, when I was taken with severe bleeding. My cough grew troublesome. I raised very bad matter from deep down in the lungs. The bleeding returned upon me frequently. In January, 1868, having had an alarming fit of bleeding, I thought, unless I soon got relief, my days would be few. My hope was about gone. Seeing Dr. SPEAR'S card in the papers, I was reminded of several remarkable cures of his which had come under my notice. I concluded if he could not cure me, no one could, — I would make the trial. I immediately put myself under the Doctor's treatment, and, wonderful as it may appear in such an extreme case, not a week passed before I felt the good effects of his medicine, and in two months the change in me seemed miraculous. It has now been a year and a half, and I have taken a new lease of life. The Doctor tells me there is no reason why I may not live many years. The pen cannot convey the remarkable change in me. I have therefore furnished Dr. Spear with my photographs, — one taken before consulting him, the other taken the 9th of April, 1869. I know there is a strong feeling among some against a physician who advertises; but if there is one thing better than another, or one physician who is more likely to cure us than another, why not let the people know it? Dr. SPEAR cured me when I was seemingly beyond hope, and I wish to tell everybody about it.

BOSTON, July, 1869.

CHARLES O. DOE.

BOSTON, Sept. 10, 1870.

CHARLES O. DOE.

DR. SPEAR. Dear Sir, — My weight is now 183 pounds, the highest figure I have ever weighed.

DR. SPEAR can be consulted at his office, 713 Washington Street, Boston, or by letter, with stamp, free of charge, upon ALL diseases.

Those who have failed to be cured by other Physicians are especially invited to call on Dr. Spear.
